*So nigh is granduer to our dust,  
So near is God to man,  
When duty whispers low, "Thou must"  
The youth replies "I can".*

## **THE SAILOR'S PSALM**

**The Lord is my Captain, I shall not lose course.  
He makes me anchor in quiet waters,  
He makes my soul secure.  
He pilots me in channels of righteousness for his names sake  
Yea though I plunge into the troughs of mountainous seas,  
I will fear no shipwreck,  
For you are at the helm.  
Thy compass and thy sextant they comfort me.  
You open a calm way ahead of my prow.  
In the midst of great tempests, you fill my sails with westerly winds.  
My hold runs over.  
Surely fair wind and blue skies will follow me all the days of my voyage.  
And I shall sail on your word forever.**
